Grad Parties, Weddings and Beach Days are ahead... though, when you look in the mirror you see "pasty white" instead of beautiful bronze! With our June "Scrub and Sun" Special, you'll be ready for shorts weather and summer vacation! Get a skin smoothing sugar scrub treatment and spray tan this month and receive a tan maintenance gift pack (including Breeze tan touch up solution)! This \$25.00 gift is yours as an added bonus to your "Scrub and Sun" body treatments. Your skin will glow and you'll feel so summer ready!

Don't forget, we also offer back facials, so you can look as good going as you did coming, as well as full body waxing!

Gift Cards Make the Perfect Gift!

This display features our high quality irons and blow dryers, plugged in and ready to go, so that you can look them over and try them out! We believe these are the best tools available and we want you to enjoy being able to achieve the styles you always dreamed of! They're priced at 20% off and with your purchase, you'll receive a certificate good for a half hour styling class and a styling product or brush (up to \$20.00)!
